**"I want to be a Bishop for the A.M.E. Zion Church,"
Trinity said. Mark asked, "What is a Bishop?"**

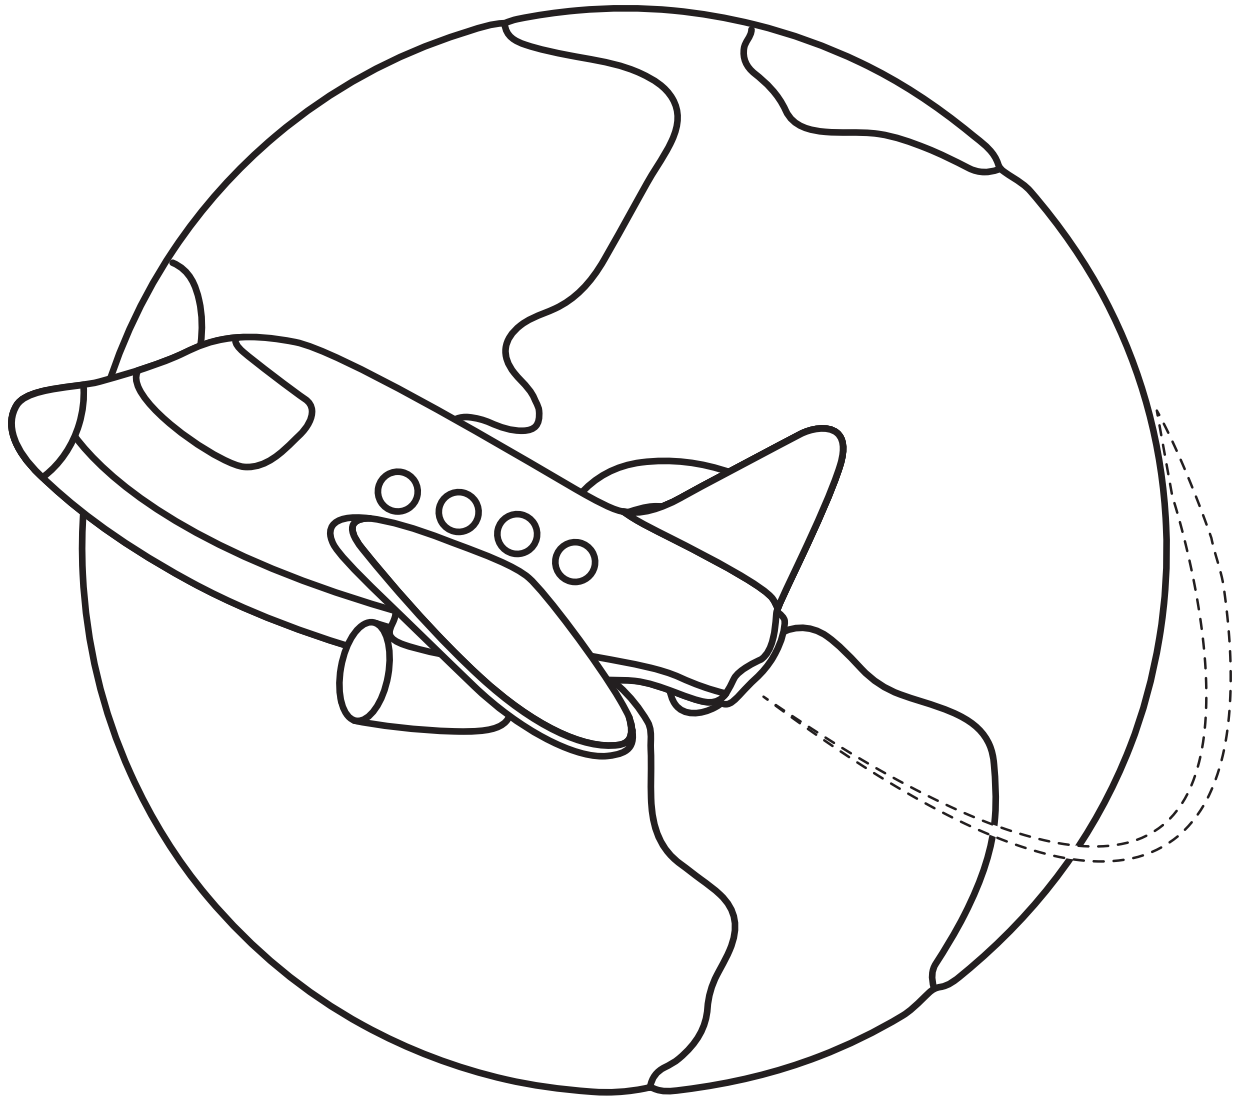

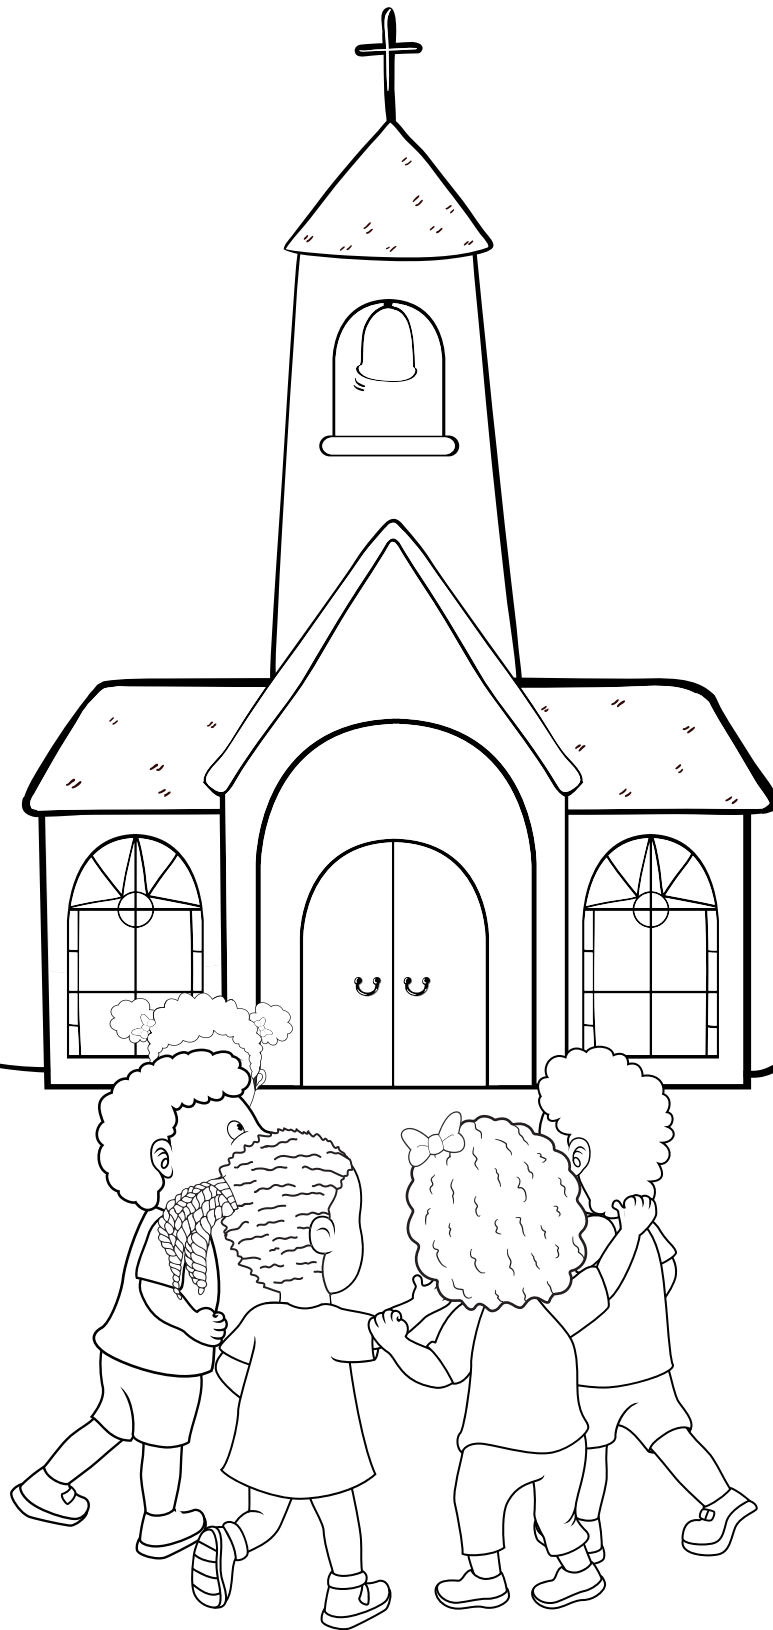

Mrs. Lewis explained, "Bishops are important role models in our church."

“Bishops are leaders and uphold great responsibilities in guiding the Freedom Church and our surrounding communities. Most importantly, they display Christian love.”

“Bishops do not pastor churches but they travel throughout their assigned districts and all over the world spreading the gospel. They are considered our supervisors and oversee many churches.”

“Through missions and evangelism, Bishops help start new churches and connect us with other people who are doing good work for the Lord.”

“They play a vital role in the A.M.E. Zion Church. Our Bishops inspire, instruct and emphasize the importance of evangelism.”

"Trinity, you will make a phenomenal Bishop one day!"
